- Skipasses are strictly personal and non-transferable. Your photograph may be taken at various points around the ski domain in order to confirm the user is still the same person.
- You may be asked to provide an official identity paper when using a reduced-price skipass (child/youth/senior/kid/elder).

3. Keycard

All passes purchased from 4vallees4saisons.com will be loaded on to a keycard, which is a hands-free plastic card sold for 5 CHF. In the resort we will refund 5 CHF per purchased keycard in exchange for your existing 4-Vallees SKIDATA keycards,

providing they have a card number of the following format: xx-xxxx xxxx xxxx xxxx
xxxx-x.

4. Prices

Prices advertised are indicated in Swiss Francs, including VAT, excluding shipping. Prices subject to change by TeleVerbier.

5. Payment

For all confirmed orders, an invoice shall be sent to the customer at the email address provided when placing the order. Customers are advised to check carefully the order details in the invoice. No responsibility is taken for provision of incorrect email address or for the failure of the email to reach its intended recipient.

The customer should print the invoice and produce it when collecting the skipasses and when using the mechanical ski lifts on the 4 Vallées ski area.

6. Order confirmation

For all online orders, once payment has been made online and accepted a confirmation e-mail with an order summary shall be sent to the customer at the email address provided when placing the order. Customers are advised to check carefully the order details in the order summary. No responsibility is taken for provision of incorrect email address or for the failure of the email to reach its intended recipient.

The customer should print the order confirmation and retain this as proof to show when collecting the skipasses and when using the mechanical ski lifts on the 4 Vallées ski area.

7. Advance order collection

All skipasses purchased 14 days in advance of the first day of skiing will be available for collection from 4vallees4saisons.com at the time of check-in for the accommodation, and at latest from 4pm the day before their first date of validity.

Skipasses purchased less than 14 days before their first day of validity will be processed within a reasonable timeframe with the aim that they are available for collection by 4pm the day before their first date of validity. Please note that in times of high demand there may be a delivery delay when ordering on-the-spot skipasses and while-you-wait printing may not be available.

8. Validation of the pass

A pass will only be validated when the customer first goes through the turnstiles on the 4 Vallées ski area.

9. Order cancellation

Advance-purchase orders cannot be cancelled once the order has been placed, and no order can be cancelled once validated at the turnstiles.

10. Insurance

Customers have the option of taking out two different types of insurance:

SnowAssist Insurance + (pass+rescue insurance), CHF 5.00/ day

SkipassAssur Insurance (pass insurance), CHF 3.00/day

11. Fraud and offences

All transport tickets are personal, non-transferable and non-refundable.

Lift-pass holders are responsible for keeping their ticket in a secure place so as to prevent its unauthorized use by third parties, including family and friends.

In the event of unauthorized use by a third party of a lift-pass, except in case of theft, loss or exchange between legitimate holders proven by the holder and/or the user concerned, the lift operator reserves the right to cancel the passes without replacement; this is without prejudice to an applicable fine, charged to the holder or fraudulent user.

Where it is alleged that the lift-pass was stolen or used against the holder's will, Les 4 Vallées, Téléverbier, Télénendaz, Téléveysonnaz and Télé-Thyon reserve the right to open criminal charges against the unauthorized user.

12. Ski-lift opening

4vallees4saisons.com does not in any way guarantee the opening of the skilifts or pistes and no responsibility will be taken for snow conditions or closure of skilifts and/or pistes or any other decision taken by the skilift operator that impacts the user experience of the skipass.

13. Errors

No responsibility will be taken for errors made at time of order placement or changes to requirements that occur after the order has been placed. 4vallees4saisons.com will endeavour to prepare the skipasses as requested once the order has been received.

Should you notice any errors upon receipt of the confirmation email or the passes themselves, please contact 4vallees4saisons.com immediately on +41 79 679 5758.
